Dear Hiring Manager,

I am writing to express my interest in the **Full-Stack Developer** position within your organization. With a strong background in developing high-performance web applications, I am confident that my technical skills and quality-driven approach can bring significant value to your team.

Throughout my professional career, I have worked on **redesigning and optimizing existing systems**, utilizing technologies such as **React.js, Node.js, and PostgreSQL**. My role at **SNCF Réseau** (until March 2025) has allowed me to modernize outdated applications, develop **RESTful APIs**, and enhance **user experience**. Working in an **Agile environment**, I have learned to deliver efficient solutions while meeting deadlines and collaborating with cross-functional teams.

In addition to my development expertise, I have gained experience in **data analysis** using **Power BI, Excel**, and Python libraries such as **NumPy, Pandas, and Matplotlib**. My previous experience in **business management** has helped me develop a **strategic mindset**, optimize **customer databases**, and implement **solutions to improve system performance**.

Currently available, I am passionate about **innovation and continuous improvement**. I am eager to join a **dynamic team** where I can contribute my expertise and continue my professional growth. I would be delighted to discuss how my skills align with the needs of your company.

Thank you for considering my application. I am available for an interview at your convenience. You can reach me at **+33 7 67 42 07 84** or via email at **mohibur_rahman09@yahoo.fr**.

Best regards,
Rahman Mohibur
Full-Stack Developer
